Patents

Patents 1 - 10 on [web sites broadcast television database search](#). (3.19 seconds)Did you mean: [**websites broadcast television database search**](#)

Interactive computer system for providing **television** schedule information

US Pat. 6388714 - Filed Apr 11, 1997 - Starsight Telecast INC

In another aspect of the invention, the **web** site **television** guide will include a... A **television** guide **database** 608 is also coupled to the Internet 606 for ...

Integrated **search** of electronic program guide, internet and other information resources

US Pat. 6005565 - Filed Mar 25, 1997 - Sony Corporation

The **search** tool may be a simple text **search** tool or **database search** tool, ...For example, if multiple **web sites** meet the **search** criteria, the user may be ...

Systems and methods for linking **television** viewers with advertisers and broadcasters

US Pat. 6002394 - Filed Apr 11, 1997 - StarSight Telecast, Inc.

10 15 25 40 In another aspect of the invention, the **web** site **television** guide... A **television** guide **database** 408 is also coupled to the Internet 406 for ...

Systems and methods for linking **television** viewers with advertisers and broadcasters

US Pat. 6263501 - Filed Oct 11, 1999 - Star Sight

In another aspect of the invention, the **web** site **television** guide will include a... A **television** guide **database** 408 is also coupled to the Internet 406 for ...

System and method for optimal adaptive matching of users to most relevant entity and information ...

US Pat. 6134532 - Filed Nov 14, 1997 - Aptex Software, Inc.

Unlike conventional "**broadcast**" media, such as **television** and radio, the **web** is... importance for most **web sites** for both practical and financial reasons. ...

Streaming media **search** and continuous playback system of media resources located by multiple ...

US Pat. 6389467 - Filed May 2, 2000 - Friskit, Inc.

The media **sites** may be located through a media **search** engine, ... (index intomoods **database** table), description (String), clip **broadcast** quality (integer), ...

System and method for integrating a message into a graphical environment

US Pat. 6061659 - Filed Jun 3, 1997 - Digital Marketing Communications, Inc.

Mass distribution of the messages, whether by print and/or **broadcast** solicitsthe consumer ... Designated servers host one or more "**web sites**" accessible ...

Methods and apparatus for retrieving and/or processing retrieved information as a function of a ...

US Pat. 6006218 - Filed Feb 28, 1997 - Microsoft

The **search** engine 130 may be any one of a plurality of known **database** or ...eg, an Internet connection and a **broadcast** receiver such as a **television** or ...

Systems and methods for displaying and recording control interface with **television** programs ...

US Pat. 6177931 - Filed Jul 21, 1998 - Index Systems, Inc.

The content of the audio portion of the news **broadcast** is digitized and can be stored at a central computer, on one or more **web sites**, on dvd's (both video ...

Television/internet system having multiple data stream connections

US Pat. 6195692 - Filed Jun 2, 1997 - Sony Corporation

The user can bookmark particular **web** pages or **sites** to appear as new ... and scan between the channels representing the **television broadcast** and internet ...
